Henke Winery held our annual 2017 Barrel Tasting Event and we had a great crowd!

Wine enthusiasts, novices, family, strangers, a bridal party, wine bus people, many out-of-towners visiting for the holidays, retired padres, and great volunteers kept the cellar and restaurant rocking all day long! A fun group of ladies drive from Indianapolis every year for this fun tour, a taste from the cellar and a souvenir wine glass.

Volunteers are a big part of this winery, call to be added to the “Lucy List”.

**Cheers!**

Volunteer Bottlers are up and running! A round of Vin de Rouge is in the house, as well as Norton and Cellar Blush. This is always great fun and many volunteers have been helping for 22 Years! A little sipping takes place as well as a hearty meal served for the volunteers afterwards. The winery has photographs throughout that tells our story.

*Cellar Sips with Joe ...*

Am I right? Yes! This is February and I have already had conversations about this year's harvest. You would think things slow down here at Henke Winery but that is never the case. We have just finished up 3 bottlings and have another ready to go. So let's first start with a big **Thank You** to all of the volunteer bottling crew who just finished 3 in a row. **Cheers** to all of those hard workers, especially for the guys who carry the cases upstairs at a rate of 1 per minute. Wow what a workout! I think they charge \$20 an hour at a workout like that. LOL

We have some wonderful wines coming out this year. There will be a Reserve Cabernet Sauvignon, a Barrel-fermented Seyval, a Finger Lakes Riesling, a Cabernet Franc to die for, and in progress - a Sparkling Chardonnay! So, as you can see, we have a lot going on. Please join us in sipping wonderful wines and enjoying Steve's beautiful craftsmanship of our fine cuisine.

Cheers to You and our Staff for what is already a great year, Number 22. Hard to believe, but totally true, Henke Winery is 22. I guess we are all young pups at heart (and the vine).

***Cheers!***

***~Joe~***
